

# **Subject: Clarification Regarding Research Methodology**

Dear Dr./Prof. [Researcher's Last Name],

I hope this email finds you well. My name is [Your Name], and I am a [Your Position, e.g., postgraduate student / research scholar] at [Your Institution Name]. I recently read your paper titled "[Paper Title]" published in [Journal Name/Year] and found your work on [briefly mention the topic] extremely insightful.

As part of my research on [your research topic], I am particularly interested in understanding the methodology you employed, especially the aspects related to [specific part of the methodology, e.g., data collection, sampling technique, statistical analysis].

I would greatly appreciate it if you could kindly clarify a few points or share any additional resources that might help me gain a deeper understanding of your approach. If possible, I would also be open to scheduling a brief call or email exchange at your convenience.

Thank you for your time and consideration. I look forward to your guidance.

Best regards,
